

# *Susie Mui*se Supply List 2016 -Youth

## **1. Paint** - acrylic or oil

If you have paints you like to paint to with, bring them. If not, I will have some for you to use.

## **2. Brushes**

Bring what you have. Big sizes are good. Your tiny brushes won't be too helpful. Ideal sizes range from #6 to #14. Flats are better than rounds.

## **3. Canvases**

Bring 2 canvases to paint on. Not too small, not too big.

For instance, a good average size is 16"x20". No smaller than 9x12. (stretched canvas, canvas on board, gesso board...they are all fine.)

## **4. Palette**

If you don't have one, bring a cookie sheet and I will provide palette paper to put on it. I use a 12"x16" tablet of grey palette paper called Grey Matters.

## **5. Easel**

Bring only if you want to. I will have light weight aluminum easels for you to use.

If you have any questions, please email me at [Susie@SusieMUIse.com](mailto:Susie@SusieMUIse.com). I would love to help.
